Skyline's Faculty

BARBARA EPSTEIN

Dr. Bliss Leaves Skyline

Dr. George C. Bliss . . . whose major role was to coordinate the faculty, was the greatest single influence among students.

In the first Olympian of Skyline High School, I wrote to seniors urging them to realize that a diploma from high school was not enough to discharge their responsibilities to themselves and their fellowmen. They must be prepared to have intellectual curiosity that goes beyond a high school diploma.

A direct quote from this Olympian is—"You must recognize the fact that Man's growth never ceases and that from his constant quest for deeper and fuller understanding of himself and his neighbors comes new hope for the world."

Certainly, as I wrote this, my last message in an Olympian, what was said in the first Olympian is truer and needed more than ever before. It is your right to make changes, especially if the changes are in keeping with the changes of the world.

Congratulations to the Olympian staff.

Students Welcome Mr. Croce

It is usually difficult to enter an on-going institution and feel that you are really a part of it.

I have had the pleasant experience of finding just the opposite to be true since my arrival here. The student body, the staff, and the parents have certainly made me feel at home. These groups that make up the Skyline High School Community have been, beyond a doubt, dedicated to providing excellence in the educational program. This dedication has been an inspiration to me and a tribute to the past leadership of Dr. Bliss and the hard work of everyone concerned.

It is indeed a pleasure to become a part of the fine educational process of our school. The esprit de corps and the earnestness that I have seen here will carry us successfully through the new frontiers that lie ahead.

Mr. Leo Croce . . . Skyline's new principal, is looking forward to the many new challenges that await him.

Mr. Leo Croce, a native of Oakland, attended Oakland Technical High School and the University of California at Berkeley. Upon the outbreak of World War II, he became a pilot in the Air Force. After the war, he returned to Berkeley, where he received his teaching credentials.

He has taught at San Leandro High

School, Bancroft, and McChesney Junior High Schools. He then served as vice principal of Elmhurst Junior High School and later as principal of Madison, Bret Harte, and Lowell Junior High Schools. Before coming to Skyline, Mr. Croce was on leave to obtain his doctorate in education at the University of California.

SKYLINE HOSTS TO ALL CITY

Skyline High was the school to hold the 3rd annual all city girls gymnastic meet. The girls were terrific and Skyline girls made a great show. Performances on beam, floor, vaulting, uneven bars, etc. were all performed with great skill by all the girls.

-Phil-Phil-
yes Phil good luck and may your term be very successful. Oh yes please give me an advance on these bulletin board so we don't end up with many more like this! Hope that all our projects go off great and that is proven we have you for a president. Ella says hi, and so does Roy, and the boat. Hope you understand all of this but it's the best I could do in so short of time.

PROGRAMMING BIG ME UP
well its here again the annual programming for next year. And there's the usual mixup in the going to class etc. Good luck and we hope you get the classes you want.

HAPPY BIRTHDAY George Old Boy
yes its gonna be the George Washington birthday Thursday. That means no school. So even though you enjoy the free day don't forget why you've got it. It's someone that did have to remember and not for the first time a cherry treat!!

Help Boost Spirit

Senior class president . . . Bob Scott

Many people say that they remember their high school senior year as being one of the most fun-filled periods of their lives. I am sure that in the future, the members of this class of sixty-eight will be able to look back on their senior year at Skyline with fond memories of football games, dances, parties, and lasting friendships. It is my belief, though, that we shall look back on this year and see much more than just the many good times; we shall recall our senior year as the year in which skills and knowledge were acquired, not only from the courses we took, but also from the individuals we met and respected. For, the value of our class can best be measured by the maturity, integrity, and interest displayed by its members. I am extremely proud to be a member of the graduating class of 1968.

Bob Scott

Senior Class Council . . . L. Taggert, A. Peck, R. Cuffee, D. Daniels, S. Pofert, N. Heineman, K. Hallahan, N. Nurre, P. Kelley, M. Brugger, J. Halliday, L. Clark, J. Whitmore, D. Cassani, R. Heblon, C. O'Brien, B. Brandt, C. Benner help President Bob Scott plan the year's senior functions.

I hope we will be able to see each other and if you don't come over and visit me I'll never forgive ya. Keep your far out personality. Hope that luck is with you always.

Dear Gail,

It has been so much
fun being on your team in
softball. If you go to Anna
Hod school, what are you
going to do with all that
time that you usually
spend flirting with boys?
Study? (Hope not) Good
luck always and I hope to
see you sometime!

Love,

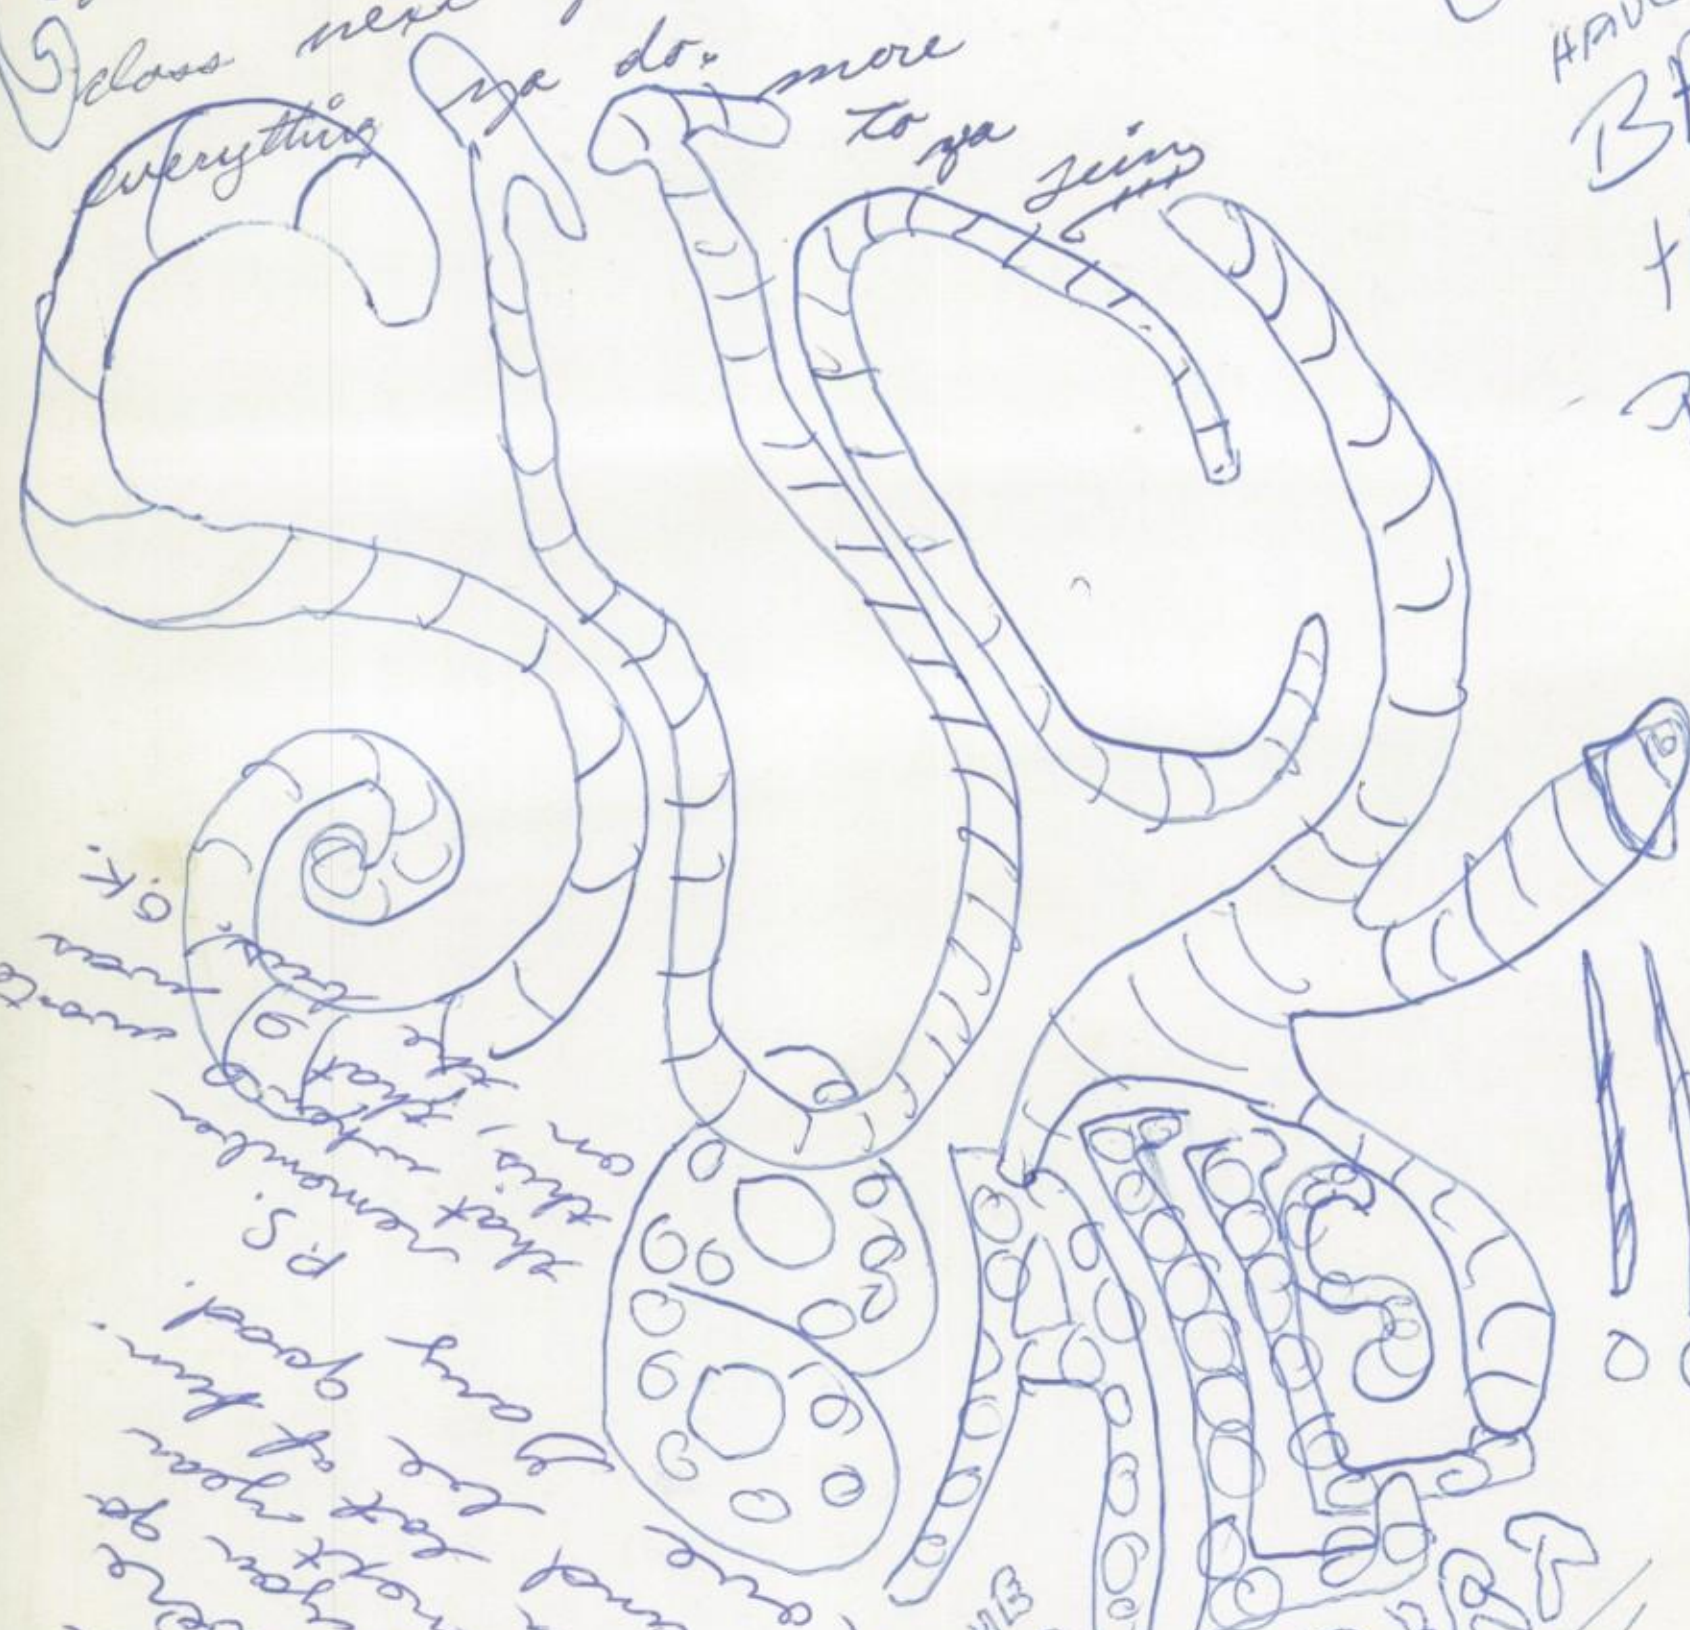

Your Team-mate,
Val

Gail,
We've really had a
blast this year pushing
cars out of the way, scheming
on Bill O. and all kind
of things! Hope we get
more classes together
next year - it'll be neat
if we do! See ya this
summer!
Love ya,
Nancy & Steve

 I'll see
 ya in
 the same
 class
 next year, but I wish ya
 luck in
 everything
 ya do.

Bill

Bill - I swear to God - you are the worst baseball captain in the world. But with our team I can't exactly blame you. This year D.E. certainly has been well... different. Our team doesn't play too good, but boy do we sing good! (H.A!) Next year we'll have to get some classes together & cry OK! Bye. & Bill
